

Forest Park to Grand Basin on the Ten Toe Express

TOTAL WALK DISTANCE: 1 miles

The Grand Basin was the heart of the 1904 World's Fair. The 2004 restoration of Forest Park makes this site a showplace destination. Get acquainted with the pleasant walkways here on this easy walk from the foot of Art Hill.

Directions:

- Take MetroLink to Forest Park Station.
- Board MetroBus #90 Hampton southbound into Forest Park passing the History Museum and the tennis courts on your left. The golf course is on your right.
- Exit the bus after it turns left from Lagoon Drive into Fine Arts Drive, before it climbs Art Hill.
- Walk left toward the fountains. The Art Museum is above you on your right.
- Turn right on Lagoon Drive to retrace your steps to MetroLink. (Restrooms and food are available in the History Museum.)

To Increase Your Steps:

- Begin by walking instead of riding to the foot of Art Hill.
- End by exploring the maze of walkways between the fountains and the tennis courts.
